

MATCH FOR PACK

**EC-702
AUTO UNIFORM CARTON
SEALER**

EC-702 AUTO UNIFORM CARTON SEALER (Top & side belt drive)

The Auto Uniform Carton Sealer is a uniform case sealer that provides economical top and bottom case sealing automation for those applications involving runs of cases of the same profile, the operator simply folds the top flaps of the corrugated carton and feeds it into the auto uniform carton sealer.

The EC-702 applies a single strip tape to both the top and bottom of the case simultaneously. As the case passes through the carton sealer, the rubber rollers will wipe down the tape top and bottom. The EC-702 can be easily adjusted just in only seconds to process carton of different size.

This top and side belt driven carton sealer is an unique design recommended for taping high, low profile, light or heavy weight, special and versatile profile cartons which is built for dependable performance and easy operation.

EC-702 is designed heavy duty steel construction, leg extension that permit height adjustments of about 10" for maximum operator comfort and efficiency. The tape cartridges are easily removable and interchangeable.

FEATURES:

- Compact design
- Instantly removable and interchangeable top and bottom tape cartridges
- Top and side belt drive
- Tape tension can be easily adjusted
- Leg extension allow easy height adjustment of about 10"(254mm)
- No operator training needed
- Easy adjustment and up & bottom tape processing once completely

SPECIFICATIONS:

Carton Capacity:

Length : 6"(150mm) to infinite
Width : 4"(100mm) to 22"(550mm)
Height : 4"(100mm) to 20"(500mm)

Closure Material:

Pressure sensitive tape
Width : 1½ "(38mm) to 2"(50mm)
Options : 2½ " & 3" width tape are available

Operating Speed:

Continuous belt drive : 75ft/min(24m)
Production rate depends on carton size and operator dexterity.

Electrical:

110v single phase, 60HZ 3/5HP(450W)

Note : other voltage are available

Elevating Adjustable Height:

10"(254mm)

Weight:

N.W : 290Lbs(132kg)
G.W : 374Lbs(170kg)

Machine Size:

49³/₄"(L) × 35¹/₂"(W) × 52¹/₄"(H)
1230(L) × 902(W) × 1330(H)mm

Measurement:

50⁵/₄"(L) × 37³/₄"(W) × 52⁵/₄"(H)
1270(L) × 940(W) × 1320(H)mm
